

# ABOVE GROUND SERIES

"be safe... not sorry"™

Australian Made Quality Safes

1300 OZSAFE

(1300 69 72 33)

A commercial based initiative, for those within the market seeking high levels of security and protection.

- The heavy gauge steel inner and outer body is filled with high barrier matrix.
- Heavy gauge steel door, supported by harden steel plate, overall vital lock area.
- Inner panel and door also supported by fire resistant compound between body and door with a fire strip that expands 10 times thicker to seal door and body from fire.
- 2x recessed holes are provided in all models.
- 1x Lagard Digital Electronic Lock and size 2 to 10 with lockable drawer provided on the bottom of the safe.
- All our safes are available in an attractive grey hammerton hard wearing animal paint.
- Suitable for business offices and homes.
- Suggested insurable cash rating for above ground series \$25,000 and are designed to provide 1-hour fire protection.
